AD's Guide to January Art Fairs Around the World

If you're looking to start the New Year with a bang, January will bring lots of opportunities to discover up-and-coming contemporary artists and filmmakers at events around the world. We've chosen five locations from Los Angeles to London that are hosting the best events next month. Take a look at our guide to each—we've got you covered with recommendations for where to stay, where to eat, and what else to see, whether you're interested in a laid-back cocktails scene or physically demanding adventures like horseback riding.

Aesthetes should stay at one of the Vik Retreats, three of which are located in the town of José Ignacio just 45 minutes outside Punta del Este. These boutique hotels offer unique style and amazing amenities. Choose Estancia Vik for horseback riding with gauchos; Playa Vik (shown) for an ultramodern beach retreat; or Bahia Vik for luxurious quarters in the utmost privacy.
